

JOIN US FOR THE 16TH ANNUAL

# MAT-SU SALMON SCIENCE & CONSERVATION SYMPOSIUM

NOVEMBER 13 & 14 | 9 AM - 4 PM

PALMER COMMUNITY CENTER (DEPOT)  
610 S. VALLEY WAY PALMER, AK

## Keynote: Dr. Peter Westley

Dr. Peter Westley is an associate professor of Fisheries with the University of Alaska Fairbanks College of Fisheries and Ocean Sciences where he holds the Lowell A. Wakefield Chair in Fisheries and Ocean Sciences. His research seeks to understand how fishes respond and adapt to environmental change, including invasive predators, climate change, and hatcheries, with a particular focus on Alaskan salmon. In his presentation, Dr. Westley will highlight key lessons of salmon conservation science that have emerged during the past few decades. These lessons are some that every salmon manager and practitioner need to know.

The Symposium is a forum to share information on Mat-Su Basin watersheds, salmon, and salmon habitat; promoting an exchange of ideas about salmon science and conservation.

**\$25/DAY TO ATTEND. STUDENTS FREE. INCLUDES LUNCH AND REFRESHMENTS.  
IF EXPENSE IS PROHIBITIVE, CONTACT JESSICA.SPEED@TU.ORG.**

**Register at [www.matsusalmon.org](http://www.matsusalmon.org).  
Presentation abstracts due Oct. 12th.**
